

Remote Banking

Our remote banking is convenient and easy. Manage your banking activities anytime, anywhere with fewer bank visits.

ONLINE BANKING

With online banking, you can bank on your time — not ours — anywhere there's internet access. View account balances, pay bills, transfer funds between accounts, and more all without having to leave your home or office. To set up your online banking account, [visit our website](#) and click the 'Enroll' button in the online banking box. To learn more, browse our easy step-by-step [mobile banking guide](#).

MOBILE BANKING

Carry Wilson Bank & Trust right in your pocket and always have access to your accounts! Mobile banking means you're never more than a swipe away from handling your banking activities, like checking balances and transferring funds. Download the app now to start banking from your mobile device! For easy, step-by-step setup instructions, browse our [mobile banking guide](#).

TELEPHONE BANKING

Unable to access your accounts via the Internet? Telephone banking provides another easy way for you to manage your money 24 hours a day.

Check your balance, make a loan payment, and more from a landline or cell phone.

Access Telephone Banking toll-free at (877) 222-0444.
