

How to set up travel notices on your mobile device:

- Tap on the Wilson Bank & Trust app
- On your mobile banking homepage, select menu in the top left of your screen 
 - Tap on your name in the lower left of the app
 - Tap on settings.
- Tap on Travel Notices:

- Select add travel notice:

- You will then fill out the **destination**, **dates**, and **cards** you will use during your travel:

1. Destination

- List the places that will be traveled to-(with a 47 character limit)

Destinations

List the places that will be traveled to. 0/47

2. Dates

- Select your dates of travel
- The system will show the dates you selected

Dates

3. Select card(s)

- Select the card(s) you will use while traveling
- The interface will show the full cardholder's name, the last 4 of the card, the account type, and status.
- If there is only one card, it is automatically selected.

Select the cards you'd like to use while traveling.
